**April 2010**

**Construction is underway** on your Madison Hospital! Site work, including utilities and drainage, along with construction of the entry road and parking lots, will soon give way to steel going up on the six-story hospital (including the basement). You can follow the construction progress at [madisonALhospital.org](http://madisonALhospital.org). Opening is scheduled for February 2012.

**HEMSI's Station 11** has officially opened on the campus of Madison Hospital. HEMSI provides 24/7 ambulance services to the community (below right) from its new facility. Welcome HEMSI.

**Your 60-bed Madison Hospital** is being built with the capacity to expand to approximately 200 beds as the community grows. Initial services will include 24 hour emergency care, urgent care, medical, surgical, obstetrics, non-invasive cardiology, diagnostic, and therapy and wellness services. The new hospital will incorporate the existing Imaging Center and Urgent Care Center into the hospital.

**Special thanks** to the Madison Hospital Advisory Council for your dedication and contributions in helping us plan and design your hospital. The Council is comprised of about 30 residents of Madison and western Madison County. The group has met regularly for the past year and will continue to provide feedback as the hospital takes shape. A list of the Council members can be found at [madisonALhospital.org](http://madisonALhospital.org).

**If you are a member** of a group that would like a presentation on the Madison Hospital, please contact our Speakers Bureau at 256-265-8317 to arrange a program. Recent presentations have been made to Endeavor Elementary School PTA, Asbury United Methodist Church, and several other Madison area civic organizations.

### *To Support Madison Hospital...Please Contact Us!*

**Purchase a brick paver to put your name on Madison Hospital... and help us fund a healing garden!**

With a donation of \$100 or \$1,000, you can honor your loved ones or put your name – or your company, school, or club's name – on a brick paver and in turn, help to provide a beautiful healing garden for Madison Hospital.

**To make your tax deductible donation, or for more information, please contact:**
