February 2011

"When we open our doors in a year, we will be ready to care for patients with nurses, physicians, supplies, equipment ... and a thousand other things. It's exciting and humbling to be a part of something like this."

- Mary Lynne Wright,
Madison Hospital President

Construction of Madison Hospital is on-track, despite the challenges presented by recent winter weather. The majority of construction work is about to move indoors, and what's required under roof always seems to take longer than exterior construction. Nonetheless, projected completion remains February 2012.

Individuals seeking employment at Madison Hospital can expect to see job postings online this summer. At full employment there will be about 300 staff members, mostly in clinical areas. It is anticipated that some employees will move from the main hospital facility in Huntsville. The number of new hires has not been determined.

You may designate Madison Hospital as recipient of your tax-deductible gift. The Foundation, established in 1978 as the 501(c)(3) non-profit fundraising arm of the Huntsville Hospital System, accepts gifts on the hospital's behalf to fund critical equipment and program needs. Donations of any amount are gratefully accepted, with 100 percent of all gifts benefiting the hospital program or department designated by its donors.

If you are a member of a group that would like a presentation on the Madison Hospital, please contact our Speakers Bureau at (256) 265-8317 to arrange a program.

To Support Madison Hospital...Please Contact Us!

Purchase a brick paver to put your name on Madison Hospital... and help us fund a healing garden!

With a donation of \$100 or \$1,000, you can honor your loved ones or put your name – or your company, school, or club's name – on a brick paver and in turn, help to provide a beautiful healing garden for Madison Hospital.

To make your tax deductible donation, or for more information, please contact:
